

Membership Invitation

Founded in 1962

MISSION

Preparedness - Communications - Logistics - Professional Association

DERA is a Nonprofit Disaster Service and Professional Organization.

Our members work together as a world-wide network of disaster preparedness specialists, response and recovery teams, trainers, consultants, technical experts, researchers and project managers.

We help disaster victims by improving planning, communications and logistics, conducting training events and community preparedness programs, and by sponsoring emergency response teams.

We sponsor a school awards program that encourages students to study the effects of disasters and to initiate projects that reduce local hazards and improve community preparedness, safety and environmental protection.

As an international professional association, our membership is composed of key leaders in the field of emergency management from around the world, including government officials, volunteers, consultants, business managers, researchers, educators, students and wide range of charitable groups.

Our Facebook site, DisasterCom, brings current information about developments in emergency management and reports on the activities of our global membership.

We sponsor research projects and the publication of emergency management guides, case studies, technical assessments, preparedness materials, and an annual peer-reviewed journal.

If you share our vision of commitment and service, we would welcome you as a member.

Please complete the application that follows or contact us for further information.
